Mayor had attended 26 various engagements in June, with the Lighting of the Queen's Platinum Jubilee Beacon at Holly House as the star attraction. The event was a credit to the town council. Thanks were given to the Staff, Councillors, Haverfordwest Male Voice Choir (HMVC), family of Holly House and members of the public for their support. HMVC had kindly offered to hold a benefit concert to support fundraising for the upkeep of the church grounds for the family.

Queen's Platinum Jubilee Street Party felt like a throwback to 1953 and it went well. Thank you to the Staff who worked bank holidays for the event and to those who supported it, along with the Sheriff for judging.

Deputy Mayor had accompanied the Mayor to Tenby Town Council's Mayor Making Ceremony.

Beating of the Bounds will be held on 15 July 2022. Date of the Civic Service is to be confirmed.

Mayor wished to give public thanks to the Town Clerk for her professional support during a difficult personal time.

Thanks were given in advance to the Sheriff for accepting an invitation for the forthcoming weekend as the Mayor was double booked.

Mayor has received an invitation from our twin town of Oberkirch to attend the wine festival in the first week of September, extended to include a group of fifteen guests in total. Further information is awaited about the event.

## **2022/2023 Budget**

An overview of the budget for current financial year was given.

The budget for the Community Garden is being funded by a grant from The National Lottery Heritage Fund. It was felt that steering group need to consider setting up a separate entity to manage the garden as soon as possible, as the grant covers the set-up costs only.

Haverfordwest is twinned with Oberkirch. Haverfordwest Twinning Association is a separate organisation which it was felt should be linked closer with us. It was felt that consideration should be given to setting up a Twinning Sub-Committee or Working Group at the next Full Council meeting – under Terms of Reference for Committees, Sub-Committees and Working Groups. There would need to be consultation with the current organisation to confirm that is their wish and to consider their requirements.

It was confirmed that the earmarked reserve for Elections will be moved in to the General Reserve.

The current legal agreements to lease and purchase the Old Wool Market were discussed. It was felt that a sub-committee should be set up to consider the future occupancy of the property. The legal position on terminating these legal agreements was felt to be of interest. The wider implications to considering new premises to occupy as offices was highlighted as a major factor when considering any changes.

A draft 2022/2023 budget showing the predicted inflation costs for essentials is to be provided for the next meeting.
