

Haverfordwest Town Council invites quotations from interested trades persons to undertake the following project:

- Dismantle quality mahogany council chamber furniture from a location in the town
- Have the ability/means to arrange the secure transit of that furniture, in the same day, to the Council's offices in Quay Street
- Through prior viewing, to establish a plan for the installing the furniture at the Council's offices, which may require some minor building works and/or skilled modification of the furniture.

The furniture will also require rebuilding and refurbishing to restore it for re-use.

This is a complex project due to the current location of the furniture. Viewing is by arrangement and on a restricted basis. Hence why the project would suit appropriately resourced/skilled trades persons (or group thereof) to provide one quotation for the whole project.

For further information, please contact the Town Clerk, Vanessa Lewis Camacho, at townclerk@haverfordwesttown.co.uk

Completed quotations are requested by 5 p.m. on Monday, 3 March 2025.
